

# Cub Scout/Pack Registration

February 13, 2010

Dear Cub Scout Leaders:

It's that time of year: get ready for **WEBELOS WOODS!** This year, Webelos Woods will be held at **Camp Kiwanis** on **April 10 from 8:00 am – 5:00 pm.** Current Bear and Webelos Scouts are invited to attend this great advancement opportunity designed specifically for the scout transitioning into a Webelos or Boy Scout. For those scouts and families not traveling over spring break this is a great alternative!

Cub Scouts register individually with a parent or as a den and spend the day with many other scouts of their own age accomplishing achievements as detailed registration form. Or if your Webelos is becoming a Boy Scout this spring there are opportunities designed to get him going along the tenderfoot path, and optionally to stay with a troop on Saturday night, attending a Campfire program and experiencing a troop overnight. If your scout is wanting more of the Boy Scout experience this is the place to come.

Please see the schedule and a registration forms for the incoming Webelos (current Bear or Webelos I Scout) or incoming Boy Scout (current Webelos II Scout). Should your Pack/Den not attend please remember parents/guardians can register with their scout on their own. Also if your scout will be crossing over this spring, he can if he wishes, with or without a designated troop, spend the night with a troop to see what that is like.

If your Pack/Den or you are interested in registering to participate please mail registration form and payment to Chief Okemos Council at 4000 West Michigan Ave., Lansing, Michigan, 48917. For Questions feel free to contact Pam Nickelson at [pnickelson@broadstripe.net](mailto:pnickelson@broadstripe.net) or James Roney at the Council Office: 517-321-9400 or [james.roney@scouting.org](mailto:james.roney@scouting.org).

Thanks for your help in making this a great event for our Webelos!

SEE YOU THERE!
